MANAGEMENT/SAFETY MISSION & FUNCTIONAL FILES

73-499

Description

PROCEDURAL INSTRUCTION FILES- Documents related to preparing, coordinating, issuing and interpreting directives, policies and procedures and comparable instructional material. These files accumulate from preparation and interpretation of instructions and include coordinating actions, studies, interpretations, and published record copies of instructions, such as directives, policies and procedures, memorandums; messages for expeditious interim changes to instructions; organizational charts; official training material and safety program material. Filed alphabetically by subject by date.

Disposal

Cut off at calendar year; hold in CFA 2 years. Transfer to local storage area, hold 5 years, then destroy.

73-500

MANAGEMENT ADMINISTRATIVE FILES-Documents relating to the overall or general routine administration of manpower administration, non-professional training or safety activities. These files include but are not limited to: A. Routine comments on directives, policies or other publications prepared by another agency with primary responsibility. If comments result in additional action affecting the mission or function of the organization, documents should be filed with the appropriate mission functional files. B. Evaluations of suggestions that do not result in issuing an instruction or establishing a project. C. Program and budget documents, management improvement reports, costs reduction reports, and comparable management reports prepared to submit data to activities responsible for these management functions. Filed alphabetically by subject by date.

Cut off at calendar year; hold in CFA 3 years; then retire to the State Archives.

73-501

ORIENTATION AND BRIEFING FILES -Documents used in orientations and briefings given to top management, visitors, or State Officials about the mission, functions, and physical layout of the Hospital. Included are photographs, transparencies or vu-graphs, copies of specially prepared handouts and related documents. Filed alphabetically by subject by date.

Destroy when superseded or obsolete or when no longer needed for reference.

	<u>Description</u>	<u>Disposition</u>
73-502	MANPOWER RESOURCE DATA FILES - Documents used as a basis for planning or estimating immediate or future manpower resources. Included are various types of studies or information such as statistics on patient population and diagnoses, number of admissions, average length of stay as inpatients and similar data related to present or projected manpower requirements for accomplishing the mission of the Hospital. Filed by date.	Cut off at calendar year, hold 5 years in CFA, then retire to State Archives.
73-503	MANPOWER SURVEY AND STAFFING CRITERIA FILES - Documents relating to on-site and other appraisal reports, staffing studies, comments, justifications and similar or related documents. Filed by activity by date.	Cut off end of calendar year, hold in CFA for 3 years, then retire to State Archives.
73-504	MANPOWER STATISTICAL DATA FILES - Documents used to provide a source of statistical data for use in manpower control activities such as forecasting, justifying and analyzing current or projected manpower requirements. Included are reports and data concerning such matters as: organizational budgeted positions, authorized position by occupational speciality and similar or related documents. Filed by date.	Cut off at calendar year, hold in CFA for 3 years, then destroy.
73-505	WORK MEASUREMENT REPORTING FILES - Documents used to report work loads, usually statistically. Included are work reports and consolidations and extracts or tabulations thereof. Filed by activity by date.	Cut off at calendar year, hold in CFA for 3 years, then destroy.
73-506	WORK PERFORMANCE EVALUATION FILES - Documents used to establish yardsticks, to evaluate performance, or to present information developed from work measurement reports. Included are trend analyses, charts, tables, performance scales and factors, yardsticks and similar or related documents. Filed by date.	Cut off at end of calendar year, hold in CFA 3 years, then destroy.
